

Safety Data Sheet

Ethanol, Denatured, Absolute

Section 1

Product Description

Product Name:	Ethanol, Denatured, Absolute
Recommended Use:	Science education applications
Synonyms:	Ethyl Alcohol
Distributor:	Carolina Biological Supply Company 2700 York Road, Burlington, NC 27215 1-800-227-1150
Chemical Information:	800-227-1150 (8am-5pm (ET) M-F)
Chemtrec:	

Safety Data Sheet

Section 10	Reactivity Data	
-------------------	------------------------	--

<p>5045 mg/kg Acute Toxicity: 5045 mg/kg Delayed Effects: 5045 mg/kg</p> <p>Reactivity: Chemical Stability: Conditions to Avoid: Incompatible Materials: Hazardous Decomposition Products: Hazardous Polymerization:</p>	<p>Not generally reactive under normal conditions. Stable under normal conditions. Temperatures above flash point in combination with sparks, open flames, or other sources of ignition. Organic Peroxides, Strong acids, Oxidizing materials Carbon dioxide, Carbon monoxide Will not occur</p>
---	---

Section 11	Toxicity Data
-------------------	----------------------

Routes of Entry: Inhalation and ingestion.
Symptoms (Acute): Central Nervous System Disorders
Delayed Effects: Liver disorders

Acute Toxicity:				
Chemical Name	CAS Number	Oral LD50	Dermal LD50	Inhalation LC50
2-Propanol	67-63-0	Oral LD50 5045 mg/kg 5045 mg/kg Oral LD50 O 5se		

Safety Data Sheet

2-Propanol

67-63-0

96 HR LC50 LEPOMIS MACROCHIRUS > 1400000 µG/L
96 HR LC50 PIMEPHALES PROMELAS 11130 MG/L [STATIC]
